Sir:

In response to the Notice Regarding Drawings dated November 14, 2006 and pursuant to 37 CFR 1.84(b)(2), applicant submits this petition for acceptance of the color photographs that appear in Figures 11a and 11b. Applicant believes that the photographs are the only practicable medium for illustrating the claimed invention and the artifact sheet in the image file wrapper acknowledges that color photographs were submitted for filing with the original application papers on January 27, 2004. Therefore, it is believed that this petition is the only remaining requirement for acceptance of these photographs.

A fee of \$130 is believed to be due for this Petition fee. Please charge the required fee to Winston & Strawn Deposit Account No. 501-814.

Respectfully submitted,
